13. About Thai Kosen Project

- KOSEN KMUTT was established under the King Mongkut's University of Technology Thonburi, which is the one of the top universities in Thailand in May 2020. KOSEN KMUTT utilizes the system of Japanese KOSEN Education and offer the 5-year program for junior high school graduates. This project has been implemented as a cooperative project between Japanese and Thai governments partly funded by Yen-Loan.
- Japanese Language Program of KOSEN KMUTT aims to develop the students who have N3 level to transfer to the third grade of KOSEN in Japan and student who have N2 level upon graduation.

14. KOSEN KMUTT について

King Mongkut's University of Technology Thonburi Bang Khun Thian Campus. It is an extension area of King Mongkut's University of Technology Thonburi, Bangmod. Bang Khun Thian Campus It is Thailand's first industrial and educational park. Excellence in research and development is emphasized, as is the transfer of technologies while strengthening the country's industry. Bang Khun Thian Campus is located at the southernmost point of Bangkok, Thailand. It is far from Suvarnabhumi Airport. Approximately 65 kilometers by car. The mangrove forests that surround the Bang Khun Thian Campus keep the weather pleasant. The university has since been collaborating with the Office of the Basic Education Commission (OBEC) and the Institute for the Promotion of Teaching Science and Technology (IPST) to form KOSEN KMUTT in 2020 that aims to produce research and innovation engineers who can work in the country's industrial sector and the development of the Eastern Economic Corridor under the human resource development cooperation framework between the governments of Thailand and Japan. KOSEN KMUTT has been under the Engineering Science Classroom for management schools. Currently, our school has 255 KOSEN students, and there are 51 Thai and 12 Japanese staff members working at the school. We need someone to join our professional team.
